

Sean Kyle A. Suazo
Bachelor of Science in Accountancy

Academic weapon with side effects

Soon to be top of the class, powered by caffeine, guided by spite, and somehow still smiling. Four years of all-nighters, debits, and credits later, here we are.

NFJPIA | Chief Associate for Technical

Technology & Digital Skills

- > Good with tech given enough time

-

Critical Thinking & Analysis

- > Problem Solving
 - > Analytical Mindset
-

Fast Learner

- > Adapts quickly to new environments
- > Self-driven and resourceful

2025

FRESHMAN • THE BEGINNING

Surviving the transition, building the foundation, and figuring out what debits and credits actually mean.

 CURRENTLY HERE

2027

MID-PROGRAM • GETTING SERIOUS

Deep into the major subjects, building internship experience, and starting CPA board review prep.

2029

GRADUATE • BSA COMPLETE

Diploma in hand, side effects fully documented, and ready to take on the CPA board exam.

2030+

CPA • THE END GOAL

Licensed. Dangerous. The academic weapon fully upgraded.
